

LOCAL & PERSONAL

CELEBRATE FORTIETH ANNIVERSARY.

The local membership of the Masonic and Eastern Star Lodges and number of visiting Masons celebrated with befitting ceremonies the 40th anniversary of the organization in Hondo City Lodge No. 756, A. F. & A. M., Tuesday, March 14, 1933. This lodge was instituted on March 14, 1893, by Deputy District Grand Master R. M. Harkness, acting for Grand Master of the Most Worshipful Grand Lodge of Texas, T. B. Cochran.

During the Masonic year ending June 24, 1932, and while Gus Roth served as Worshipful Master, a movement was started to hang the pictures of all Past Masters of the Lodge in the Lodge Room. Considerable delay being encountered in securing the photographs it was eventually decided to hold the unveiling of these photos and the anniversary celebration at the same time.

Accordingly, the following program was arranged:

- PROGRAMME.**
- 4 P. M. Masons Only.
 - Opening of Lodge.
 - Purpose of this meeting—Worshipful Master Homer Wilson.
 - Introduction of Charter Members: Ed. de Montel, East; B. R. Bradley, West; J. P. Nixon, South.

2. Prayer—Past Master A. M. Foster.

3. Unveiling of Portraits of Past Masters—Past Master O. B. Taylor.

4. Address—Bro. W. S. Tomey.

5. Good of the Order—Members of Star—Past Masters.

6. Octette—Brethren. Dedicated to the Past Masters gone before and all living Past Masters and older Brethren.

7. Benediction.

At the afternoon session of the Lodge, two of the three living Charter Members of the lodge, Dr. B. R. Bradley and J. P. Nixon, were present. Judge Ed de Montel was unavoidably absent. After these two aged Brethren had been escorted to seats of honor in the East and the West, District Deputy Grand Master W. N. Saathoff delivered an appropriate address to which Past Master Bradley responded in a feeling and gracious manner.

Mr. B. Marks, being absent, the presentation of a life membership to him on account of his having attained to the age of 70 years, was necessarily deferred.

Following a number of brief addresses by members and visiting brethren the Lodge closed.

The barbecue which followed was enjoyed by a large number of Masons, Eastern Stars, wives of Masons and husbands of Eastern Stars.

Following the refreshments, the program was resumed with an open meeting in the Lodge room.

Preceding presentation of the pictures of the Past Masters, Master of Ceremonies Dr. O. B. Taylor read a brief history of Masonry in Medina County and Hondo from which we are privileged to summarize as follows:

The original Masonic Lodge in Medina County was known as Hondo Valley Lodge No. 252. The charter was dated 1860 and the lodge was located on the banks of the Hondo River, some 3 1-2 miles east of Hondo, using the second story of an old rock building. The ground floor was used as a Methodist church and school house. Near by was a small Masonic cemetery now holding some 25 bodies, among them several Masons, to-wit: Geo. W. Harper, born Sept. 25, 1807, died July 9, 1882; John J. Elam, born April 10, 1848, died April 4, 1878. And on the headstone of another we find this inscription: R. C. Smith, killed by the Indians April 15, 1864, Junior Warden of Hondo Valley Lodge No. 252 from its organization until his death, age 38 years.

The Lodge was later moved from this place to Castroville where it functioned until it demised in 1883. Devine lodge was organized in 1884, and the Castroville paraphernalia moved to that lodge.

Then by appointment of T. B. Cochran, Grand Master of the Most Worshipful Grand Lodge of Texas, the then District Deputy Grand Master, R. M. Harkness, met in Hondo March 14, 1893, and organized Hondo City Lodge No. 756, A. F. & A. M., 40 years ago today, by appointing the following officers: T. G. Woolls, Worshipful Master; Ed de Montel, Senior Warden protem; Fred Metzger, Junior Warden; Hy. Kueck, Senior Deacon; V. H. Blocker, Junior Deacon; B. R. Bradley, Secretary protem; H. S. Kirby, Treasurer protem; J. B. Hancock, Tiler protem.

Dispensation members were J. A. Miller, B. R. Bradley, J. B. Hancock, Ed de Montel, A. P. Sale, G. W. Waitman, G. W. Adair, T. G. Woolls, C. H. Frick, Hy. Kueck, W. J. Simpson, W. T. Maples, J. B. Crane, J. C. Smithson, O. M. Humphries, H. S. Kirby, A. A. Burnside, J. P. Nixon, Fred Metzger and T. M. Paschal.

Officers appointed by the Grand Lodge were: T. G. Woolls, Worshipful Master; J. C. Smithson, Senior Warden; F. Metzger, Junior Warden. Members initiated, passed and raised: W. E. Patterson, R. H. Hudspeth, Emil Grell, Fred Macombe, and W. A. Cooner, F. C. Masons; J. H. Pluck, J. R. Patterson, H. E. Haass and J. K. Moeur. E. A. Masons: Geo.

W. Jones and Jno. Schmidt. Affiliated Masons: V. H. Blocker and N. W. Ward.

At this meeting, March 14, 1893, arrangements were perfected for reception of visiting lodges and members of the lodges to attend the ceremonies of laying the cornerstone of Medina County courthouse on March 16, 1893. Plans for the order of procession were submitted and adopted. Lodge called from labor to refreshment to meet again March 16th. R. M. Harkness, District Deputy Grand Master, called M. M. Lodge from Refreshment to Labor with the following officers present: Woolls, Montel, Metzger, Kueck, Blocker, Bradley, Kirby, Hancock, with visiting brethren from Devine, San Antonio and Uvalde. After due preparation, the lodge formed in procession, marched to the courthouse and laid the cornerstone in due Masonic form. The oration delivered by Worshipful Master T. G. Woolls was printed in three papers, the Hondo Herald, the Castroville Anvil and the Pearsall Vindicator.

The foregoing historic data was compiled mostly from records still preserved in the lodge.

Then followed the presentation of portraits of the Past Masters in their chronological order, Senior Warden Benj. G. Wimmers pointing out the photographs while Dr. Taylor read the accompanying data as follows:

To Contest April Twenty-Second.

INDEPENDENT-REPUBLICAN
CANDIDATE.

CARLOS G. WATSON.

DEMOCRATIC NOMINEE.

MILTON H. WEST.

Brownsville, Texas.—Carlos G. Watson, Brownsville attorney, who announced his candidacy for Representative to Congress immediately after John N. Garner was elected to the Vice Presidency, today announced that he had filed his application with the Election Boards of the various counties in the Fifteenth District to have his name placed on the ballot as an independent candidate in the Special Election to be held on April 22nd. "This method of filing was adopted pursuant to an opinion of the Attorney General holding that in order to get on the ballot as a party candidate, a primary election would be necessary. Of course, that would be impossible at this late date," he said. Watson was the Republican candidate for Congressman in the November election, receiving over seven thousand votes in the District.

1931-1932.

A. M. Foster, 1924-1925.

Geo. Kimmey, 1925-1926.

O. A. Fly, 1926-1927; Patron, 1924-1926.

Earl Starnes, 1927-1928.

B. Carle, 1928-1929.

E. J. Leinweber, 1929-1930.

Garland Martin, 1930-1931; Patron O. E. S., 1926-1928.

Gus A. Rothe, 1931-1932.

The Lodge has had 34 Past Masters, eight of whom are now deceased.

Following these exercises, Rev. W. S. Tomey of San Antonio delivered the oration of the evening and mingled just enough quaint humor with wholesome counsel to both entertain and instruct. Rev. Tomey finds in the life and purpose of Christ the embodiment of the tenets of free Masonry as they should be lived by Masons every day.

A number of extemporaneous addresses by both Masons and members of the Eastern Star, a song by the Male Octette, accompanied by Mrs. O. A. Fly on the piano, and the benediction by Rev. Tomey closed this happy occasion, and it, too, like the event it was designed to commemorate, passed into history.

H. W. BARKULOO DEAD.

Friends here of H. W. Barkuloo, for several years a citizen of Hondo, regret to learn that he died at his home near Goose Creek, Texas, Monday, March 6, 1933, after a few days illness. His remains were buried at Cedar Bayou cemetery near his home. He is survived by his aged companion and several grown children, one of whom, Robert W. Barkuloo, and his family reside in Hondo.

This paper hopes to have a more extended mention of the deceased for our next issue.

STYLE REVUE WINS PRAISE.

The effort of the P. T. A. to present something new and amusing in entertainments and resulting in the Style Revue Friday night, March 10, at the school auditorium, was greeted by a large and enthusiastic audience, continued laughter and applause and genuine enjoyment throughout. A record crowd was present.

The curtain lifted on a garden scene, picket fence twined with pink rambling roses, and green trees and flowers in the background. It was a lovely setting for the galaxy of loveliness to follow.

Dr. O. B. Taylor, as master of ceremonies, in his inimitable manner announced the numbers, described the costumes and introduced the beautiful models. The apparel, modern and old-fashioned, was modeled as follows:

Sport costumes: by Jack Fusselman, Benny Oefinger, Thomas Taylor, Earl Earnest, Major Lancaster and Jack Droitcourt.

Swim suits: by August Finger, Roy Schweers, Russell Speece, Robert Zuberbueller and B. C. Rucker.

Afternoon gowns: by Glenn Fluker, Marion McDowell, Homer Wilson, Charlie Embrey, and Frank Rucker.

Lingerie: by Carrol Jones, Roy Grant, Clinton Jagge, Wier Kirby, John Russell Crouch and Jackie Schuelke.

Evening gowns: John Henry Meyer, Preston Gaines, Tom Laxson, Ralph de Montel and Bru Miller.

Preceding the showing of the sport dresses the Choral Club, directed by Mrs. George Brush, rendered two pleasing selections. Following the promenade of the first models, little Mae Beth Barry, looking the part in a charming satin costume, delighted the onlookers with a tap dance of the Toy Soldier. Miss Billie Merritt gave a novelty song and dance number, featuring the modern song hit "I'll Get By With a Twinkle in my Eye".

Miss Mary Chambers, talented dancer of San Antonio, gave a finished performance which was enthusiastically received by the audience. The first number was a graceful toe dance, and her concluding number a sprightly Spanish dance, with castanet accompaniment.

Concluding the revue in a beautiful pantomime was the bridal party, with the only feminine beauty in the entire cast. Mrs. Julius Wurzbach of Cliff made a lovely bride in a white satin gown, veil of illusion and lace cap caught with orange blossoms over one ear. She carried an arm bouquet of white roses. Bridesmaids were Misses Regina Nester, Elizabeth Holloway, Jonell Rothe and Elita Leinweber, wearing organdy frocks in white, yellow, pink and lavender respectively, and carrying contrasting flowers. The little daughters of Mrs. Wurzbach and of Mrs. Harry Kollman were dainty flower girls, and ring bearer was the little son of Mrs. J. M. McWilliams.

A free will offering was taken up during the intermission.

A medicine that does something for women

A woman is old at thirty when she has let herself run down.

And she is young at sixty if she knows how to keep clear of chronic sluggishness.

Have you never tried the harmless medicine that is made for this very condition? Do you know that two or three weeks of its gentle stimulation has done the most amazing things for lots of women?

This means of stimulating the system to new life is a doctor's prescription. It is known as Dr. Caldwell's Syrup Pepsin. It is made from fresh herbs, active senna, and pure pepsin. From the day you begin with it, you will feel better; one spoonful disposes of any bilious headache; a larger dose relieves any constipated condition. A little now and then will keep you guarded from the auto-intoxication that dulls appetite and ambition in any man or woman.

Dr. Caldwell's Syrup Pepsin is known to all druggists; they always have it on hand. It is the most likeable and remarkable medicine you ever tasted. Try one bottle and compare your condition with the way you felt before!

REV. AND MRS. R. L. FLOWERS.

BAPTIST NEWS NOTES—TWO WEEKS REVIVAL.

The work at the Baptist church is rather encouraging, since both the Congregations and the Sunday school are slowly, but really growing in attendance. However, there is still room in both departments for improvement. If you are not an attendant, perhaps you would enjoy a regular place, where you would certainly find a warm welcome. Mr. Fluker, our Superintendent, is urging a forward movement all along the line, with full and hearty co-operation on the part of all officers and teachers. The Pastor is in hearty accord with all the Superintendent's plans. The weekly teachers meeting on each Wednesday evening at eight o'clock, are always both profitable and deeply interesting. Not only are the officers and teachers eligible for membership in these

meetings, but anyone else who may be desirous of learning the Bible and the best methods of teaching.

On next Sunday morning, at eleven o'clock, our proposed co-operative revival meetings are to begin at our meeting house. We are expecting all who are or who may be interested in a forward move in the religious life of the Community, to be present. Let all who sing in any of the choirs be on hand, and in their places. Mrs. Flowers, the evangelist's wife, who is reputed to be a most interesting and helpful speaker, is expected to speak at the opening service. It is hoped that much prayer may be offered for the Presence of the Holy Spirit of God, to guide us all and give us spiritual power for acceptable work and worship. Full announcements will be made as to the entire weekly program of the evangelist. Let every thing be done in the fear of God and for his glory.

Parents were urged to cooperate with the authorities in stamping out diphtheria in Medina County.

Warning

Don't be misled by false statements. Calomel, salts, mineral waters, oils, laxative pills and drugs have no effect whatever on the liver or its production of bile. The truth of this statement can be proved by consulting the authoritative medical textbooks published during the past five years.

There are only two known substances which will actually stimulate a torpid or sluggish liver to cleanse and purify itself by increasing its production of bile. Sargol Soft Mass Pills contain both of these substances, and no other advertised medicine on the American market today does contain them.—(adv.)

In the spring of the year they say an old "hoss" will always turn back to the pastures where he grazed as a colt. Mr. James of the Green Tag Store must have felt a similar urge, for yesterday we found him in search for a "mess of poke sallet" that delectable dish of "greens" to be had only in the Springtime. Mr. James could have won a bet had he taken a sporting chance for we thought "poke sallet" could only grow in the corner of an old fashioned rail fence or beside a decaying stump in a "new ground clearing" in a wooded country, and told him he wouldn't find the plant in Medina County. But we learned something. He showed us by going out and finding what he was looking for. Now if you catch him acting "kinder proud like" don't think he's trying to hightail you. Like the old "hoss" that "feels his oats", he will only be feeling his "poke sallet"!

One of the first snake-bite casualties of the spring season and warm days was reported Saturday, when the 9-year-old son of Mr. John Schuchling was brought to town suffering from a rattler's bite in the hand. Injections of serum were made and at last reports the young lad is recovering satisfactorily from the effects of the poison. The victim was attacked by a large rattler when he stuck his hand in what he presumed to be a rabbit hole in search of a rabbit at which he and his companions had been firing. Later investigation showed a second large rattler lower in the hole, and short work was made of it.

Mr. and Mrs. P. Jungman were here from Austin over last week-end. From Mr. Jungman we learned that a bill is pending in the legislature to change the open season for dove and quail shooting from the present season to December 1st to January 15th. Mr. Jungman thinks that is placing it too late in the winter and says interested parties should communicate with Chairman Henry Makay of the Game and Fish Committee.

TWO COLUMBIA FILMS FOR COLONIAL.

"Man Against Woman", a Columbia release, comes to the Colonial Theatre for a two day showing, Saturday and Sunday of this week. It is a "cop" story with a different twist; and is portrayed against the familiar background of night clubs, racketeers, and iron-willed police officials. It tells the story of "Strong Arm" McCloud, played by Jack Holt, a confident "dick", an exciting story with a different climax, and plenty of drama, romance and human interest. In addition to Jack Holt, the cast includes Lillian Miles, Arthur Zintzon, Gavin Gordon, Walter Connolly, Jack LaRue and Emmett Corrigan. There will also be a Crazy Kat Cartoon.

Next Thursday and Friday brings the second Columbia film, "As The Devil Commands". It has a good story with a splendid cast, which includes Mae Clark of "Waterloo Bridge" fame, Neil Hamilton and Alan Dineart. Completing the program is a Scrappy cartoon "The Bad Genius".

HONDO BANKS RE-OPEN.

In conformity to information
from Washington and Austin both
banks re-opened for regular busi-
ness here Wednesday morning, after
having been closed almost two weeks.
There was no excitement attend-
ing upon the resumption of regular

ally attends a normally busy day. A
good day's business was transacted.
The only occasion for the holiday
banks elsewhere, and the local banks
had to conform until the normal flow
of bank transactions could be re-
sumed throughout the country. Now
that the temporary inconvenience is
passed, it is not expected that the
normal functioning of the institutions
will in any degree be impaired.

ROBERT REITZER.

The deceased, whose passing we
mourn today, Robert Reitzer, was
born at Quihi, Medina County, Texas,
on January 28, 1878. He was one of
eight sons born to John Reitzer who
came from Alsace-Lorraine, and
Elizabeth, nee Loessberg, also from
Germany. At an early period in life
he was baptized at the Lutheran
Church at Quihi, Texas. The entire
schooling of the deceased was se-
cured at the public school at Quihi.
At the age of 16 years, the departed
went out into the world to earn his
own living, and after some time
worked as section foreman in parts
of Texas. It was on May 19, 1902
that the departed was married to
Antje Balzen in San Antonio. No
children were born to this union. The
couple enjoyed a peaceful and har-
monious married life for over 30
years.

The deceased made a good husband
and was a diligent worker. He proved
to be a home-loving man, who pro-
vided well for his household. He
was honest and thorough. In 1920
he started to work for the United
States Government as rural mail
carrier. In this capacity he doubtless
gained many friends and became well
known to all in this community. He
discharged his duties well.

About a year ago the departed suf-
fered a severe illness, which was so
serious that his life was despaired of.
However, he rallied and was able to
attend to his duties as before. Never-
theless from that time on he suffered
from dizzy spells and would some-
times become unconscious while in
that condition. On Tuesday, morning
March 14, the departed attended to
the chores, and milked the cows as
usual. He took sick while engaged in
this task and was forced to return to
bed. In the course of a few hours
during which he was unconscious much
of the time, the departed failed in
strength and death came at 11:15.
He reached the age of 55 years, 1
month and 14 days.

We join in extending sincere sym-
pathy to the bereaved widow, who is
left to mourn the death of the de-
ceased. There are also 7 brothers
left to mourn him: namely Henry of
Yancey, Albert of New Fountain,
Willie of Dunlay, Louis of Comfort,
Emil of Potter, George of Arizona
and Edmund of Arizona. One sister
preceded him in death, while two
still remain to grieve his loss, name-
ly, Mrs. Joe Balzen of Dunlay and
Mrs. Henry Schulte of Hondo. Three
sisters-in-law and four brothers-
in-law remain. A host of friends
join in their sympathy for the be-
reaved and trust that they may find
true comfort from Above to strength-
en them in their loss.

Interment took place, Wednesday,
March 15, in Hondo, Rev. W. C.
Leibfarth officiating. The pall-bear-
ers were: Z. W. Rice, E. R. Wisdom,
Joe Knapick, M. J. Finger, O. F.
Wildman, Alfred M. Finger.
The choir sang: "What a Friend
we have in Jesus" and "My Faith
Looks up to Thee".

MEDINA COUNTY CLUB MEM-
BERS TO EXHIBIT THEIR
LIVE STOCK.

The Medina County 4-H Live Stock
Show will be held Saturday, March
18th, at the Medina County Fair
Grounds. All members are requested
to have their baby beebes, fat hogs
and lambs in their stalls or pens not
later than 9:00 A. M., so they will
have time to wash them up and get
them in good shape before the judg-
ing starts.

Judging will start promptly at 1:00
P. M. As soon as the judging is over
all calves, hogs and lambs will be
auctioned off to the highest bidder.
Everybody is invited to attend, es-
pecially the stockmen who have a few
cows and raise a few calves for the
market. The club members will
show some of the best calves, hogs
and lambs that have ever been fed
out in this part of the country; they
are finished and ready for the market
and should bring the top price with a
premium. The Medina County club
members are expecting many buyers
present to bid on their live stock.

Don't be misled by false state-

have no effect whatever on the liver
or its production of bile. The truth
of this statement can be proved by
consulting the authoritative medical

There are only two known sub-

A new feeling for men past fifty

If you've let yourself grow systematically old, here is a way to stimulate yourself without the slightest harm, and, in fact, with effects beneficial to the entire body.

This method of stimulating a sluggish system to new life is a doctor's discovery, so no one need hesitate to try it or believe in it. It is a sane, sensible way to keep keenly alive.

The only medicine you take is a most likeable and remarkable syrup made with fresh herbs, active senna, and pure pepsin. The benefits are many, and far-reaching. Its immediate effect on the lower bowel gets rid of lingering poisons better than a powerful laxative. In fact, you will need no other laxative if you take an occasional spoonful of Dr. Caldwell's Syrup Pepsin.

If you regard yourself in fairly good health now, you might still find after a week or two of this gentle stimulation that you were only in a state of half health before. It makes an amazing difference in the way one feels, especially at an age when one inclines toward auto-intoxication. (Daily headaches, failing appetite and tiring too easily are apt to be symptoms of a toxic condition.)

Women, too, get decided benefit from a few weeks' regulation with Dr. Caldwell's Syrup Pepsin.

DEVINE NEWSLETS

From The Devine News.

CHEESE FACTORY OPENS IN A SMALL WAY.

The new cheese plant opened up the past week in a small way, making around 200 pounds good commercial cheese the day. Owing to the recent freeze and backset in milk production, the factory starts off slowly; but Mr. Brown is not discouraged. He has had time to test out the machinery and when the milk does start coming in a good flow they will go right on making both butter and cheese, here. Prices for all dairy and creamery products are so low, however, that dairymen are not encouraged to spend any money in increasing their output of milk; but the Devine Creamery is paying more than San Antonio markets, and takes your whole milk, or cream, as you may wish to sell it. If you wish to sell your cows, now in milk, the Creamery has buyers who will take them on a "Pay-Themselves-Out" basis and terms.

QUIHI NOTES.

And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption. Eph. 4:30.

Perhaps you went thru it all—time was when life had no meaning for you, days came and went in dark and dreary monotony, like waves on a turbulent sea, leaving the heart empty and restless, sapping your vitality for no obvious use, and then, somehow, the sun rose somewhere, lending enchantment to the view, linking your personality with the Light of the world, and since then you see life in a new light. What brought it about?

What is still actuating your energy warning you of dangers, encouraging you when moody, gently censuring you when tardy in duty, when moving in the wrong atmosphere, when striving for wrong ends, consoling you when crestfallen for lapses, constantly pointing to eternal values? What's that dominant force?

St. Paul terms it the holy Spirit of God, and considers it the guarantee for your final release from depravity and error. Grieve it not by disobedience and indifference. It may fail to function, if stubbornly abused.

In consideration of past services rendered as teacher of the Sunday School, Mrs. M. Wiemers was honored by her fellow-teachers with a little souvenir last Sunday. Not many are fully valuing such work done by Sunday School teachers, done gratis and with happy effort. By rights, they should come in for a little public recognition now and then, even if they do not clamor for it. Her noble assistance shall not be forgotten.

The last Luther League program was enjoyed by an unusually large house, though always well attended. Among the many outsiders, we had the pleasure of also welcoming the Revs. K. Konzack and W. Leibfarth

and their ladies. In those nearly twenty numbers of presentations, one or the other is bound to meet individual tastes. The untiring effort to bring the best on the level of given talents, deserves some credit, to be sure. In the business meeting, provisions were made towards the purchase of a long-needed lectern. A few new members were received and welcomed. Wonder what holds back the other young people of this community from joining? They have time and talent and grace nearly every program with their presence, a fair sign that they like the work and spirit of the organization. Here is a hearty invitation to you. The Lord has given these talents to make use of them for the edifying of the whole body of Christians around here. And the greatest benefits you reap yourselves.

Announcements for Sunday, March 19th:

The German service at 10:30 A. M. and the English service at 8 P. M. are both at Quibi. Sunday school and Bible class at 9:30 A. M. Let me remind you of the Lenten services every Wednesday at 8 P. M. The knowledge of the holy is understanding (true wisdom). Prov. 9:10. The Pastor.

YOUNG FOLK, LISTEN, THIS SHOULD INTEREST YOU.

This should be interesting news to you. Byrne College is continuing to place its graduates in positions. Fourteen have been placed during the past five weeks. Don't you wish you had been one of them? Well you can be one of twenty we will place during July if you will enroll with us between now and the first of April. What else can you do the next three months that will place you on the pay roll in a nice office where there is opportunity for advancement?

Byrne College has many advantages in placing its well trained graduates. We wish we had space in this article to tell you of the many ways we have of securing employment, but we haven't so we invite you to come to our office and let us tell you about it.

Just think what you are going to be up against ten or twenty years from now if you do not equip yourself with a modern business education. Write us how soon you believe you can be with us, and state if you prefer us to get you spare time work to earn your board and room. State the largest amount you can pay down on the purchase price of your scholarship, and how much you can pay monthly thereafter until the full amount is paid, or if you cannot make monthly payments while in school, state what size of monthly payments you can make beginning, say, six weeks after your course. Or, if there is some other plan of payment you prefer, please state it. If you have the cash, or can raise it and pay cash for your scholarship, we will make you a discount that will interest you. It will far more than pay the interest the bank would charge you or anyone else from whom you might borrow the money.

Let Byrne College train and place you. Time that is not valuable to you now can be invested in a business education at Byrne College and made the means of winning your independence and starting you on the road to a successful career. You have now the opportunity of doing the greatest act of your life toward your future success. Think seriously of your future and act now. We want to train and place you. You can do no better than to attend the best.

Gathering Rhodes grass seed is new in America. Several farmers in Kleberg County have harvested more than enough for their own use and in doing it have learned why the seed are expensive. The heads are cut off one by one and carried in a cotton sack. The heads are then dried and threshed by hand. The cost is calculated at about 30c per pound.

We do job printing.
